Spring Branch Academy 2018-19

Spring Branch Academy is a home-school academy offering the core curriculum of the Christian liberal arts for high-school students. As a home-school academy, the school is designed to be the capstone of home education, by providing outside instruction in many of the difficult high-school subjects, while yet providing ample time at home for electives and other developmental experiences. The academy is also open to transfers from other schools, whether private, charter, or public. **Full-time students** are eligible for an academy diploma; **part-time students** must graduate from their home school. (For more details, please refer to the latest Academy Handbook.)

Enrollment in Spring Branch Academy is open to students who fear God and respect human authority. Parents should make this decision with wise counsel and prayer, based on a child's traits and stage of development. If the academy is a good fit for your child, we thank God for the opportunity to partner with you in the education of your child. Please become familiar with the Academic Handbook, especially Enrollment Status, Graduation Requirements, and the Academy Policy; then *fully* complete this application for enrollment. *If you have any questions or concerns, please contact the director, Pastor Bob Snyder, at (517) 849-7035 or sbacademy1210@gmail.com. Thank you!*
