Spring Branch Academy exists to bring glory to God by instilling wisdom and inspiring worship in each student.

Wisdom Worship Maturity

Spring Branch Academy is a private Christian high school with a **liberal arts curriculum**.

Our **experienced educators** use challenging classical methods to teach our students how to learn and think, not just what to think.

We foster an atmosphere of **faith and joy** that helps our students grow in maturity for their God-given vocation.

Parents gain educational help while students enjoy classroom interaction and learn **self-management** under God.

Our **college-style class schedule** promotes wisdom, worship, and maturity in our students.

*The fear of the LORD is the
beginning of wisdom: and
the knowledge of the holy is
understanding.*
—Proverbs 9:10

HOMework

The amount of school work is based on a little more than a 30-hour per week time commitment, equivalent to public school attendance.

ATHLETICS

The academy has no sports program, but classes will often be completed by late afternoon for participation in community sports.

ELEMENTARY AND MIDDLE SCHOOL

The academy offers counsel to parents wishing to prepare their children for future enrollment. Some middle-school students may enroll in high school classes, based on consultation with the director.
