Spring Branch Academy 2022-23

Spring Branch Academy is a Christian high school with classical methods, a liberal arts curriculum, and many experienced teachers. It exists to bring glory to God through *instilling wisdom* and *inspiring worship* in each student.

Enrollment in the academy is open to students who fear God and respect human authority. First-time enrollment also involves an interview with the family. Transfer students should consult with the director before selecting classes.

Students enroll under either full-time status or home-school status. **Full-time** students take advantage of the integrated curriculum and are eligible for an academy diploma. **Home-school** students are invited to enroll in any class, but they must also take or audit a theology class.

For more information, consult the Academy Handbook and/or contact the school via the website at: **sbacademy.us**
